

By working together,
Tiffin Boys' School &
David Luke
have prevented

14,095

plastic bottles from going to
landfill.

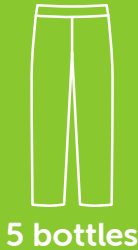

That equates to
over 14 UK
households
annual plastic
waste saved
from going to
landfill.

The length of plastic
bottles that
TIFFIN BOYS' SCHOOL
have saved, when put in
a line, would equate to:

The bottles
saved
from landfill
through
each garment
include:

5 bottles

Producing recycled
plastic saves:

3 barrels
of oil

0.96
ton of
CO₂

The height of
3,758
children

(based on the average 12 year old)

Climb up
& down
**BIG
BEN**

29
times

The length of
1,252
cars in a continuous
line.
