

TSBC (Tiffin School Boat Club)

Sessional Rowing Coach

18 – 22 hours per week (term time only)

Pay range (£9,136 - £11,437 actual salary, depending on hours worked)

Required for September 2022

Tiffin School is seeking a Sessional Rowing Coach to work with the boys and girls rowing squads. The role will involve assisting the senior coach in delivering sessions on water and land across the various boat club squads.

TSBC has a large squad and made finals at National Schools and won local Head races this season. We are keen to support all our rowers further at all levels.

This post would suit someone new to coaching or on a gap year where you will be fully supported in all aspects of the role.

You will be working afternoons and after school sessions must be available to coach all sessions at weekends. There is the opportunity to do some additional before school sessions dependant on the needs of the squads.

Whilst the core requirement is to work school term time only, you would also be expected to assist in the running of up to five rowing camps during the school holidays, for which additional hours would be paid.

A level 2 Qualification in coaching is desirable, but we can arrange & pay for your level 2 for the right person. A passion for the sport is essential.

Trailer driving and minibus licenses are also desirable but not essential.
